

Guest Speakers

Inviting the community into our school!

Each term we are always excited to announce our visitors for our Casa Guest Speaker Series.

Throughout the year many guest speakers visit our students to present a wide variety of topics. These presentations help us to expand upon our classroom lessons. It is always wonderful to see the students eagerly participate in the hands-on activities and interactive presentations each month. Parents are always invited to join us for these special presentations.

Rosenglen
what school
should be

We have had guest speakers from the following groups visit our school:

Mystic Drums	An interactive presentation introducing rhythm through percussion instruments
Silly Miss Tilly	A lively presentation of Mother Goose fairy tales.
Nature Visits	A hands on introduction to reptiles and amphibians.
The Kids Fun Factory	An overview of various types of dinosaurs and fossils is presented.
CNG Storytelling	Students participate in the dramatic presentation of various fairy tales.
Mad Science	A fun opportunity to participate in a variety of science experiments.

Other visitors include the Peel Police Safety Presentation, The Clown Shoppe, Mississauga Fire Department, The Toronto Symphony, Mountsberg Bird Rehabilitation and Zumba.
