

At Rotherglen's Oakville campus, students participate in various extracurricular activities throughout the school year. Model Building, Photography, Puppet Club, Chess, and Drama are examples of the different types of after-school clubs offered to students.

Activities are organized during lunch times, after school and as special events, such as our annual Grade 6-8 Ski Day. Activities include Dance Aerobics and House League games and sports. Each year, the Oakville campus produces a musical play, held in May at the Oakville Centre for the Performing Arts.

Rotherglen also participates in the Private School's Athletic Association, competing against various schools located in Oakville, Burlington, and Mississauga. Girls' and Boys' teams at the Junior and Intermediate level represent Rotherglen in six sports: Cross Country Running, Soccer, Volleyball, Basketball, Floor Hockey, and Track & Field.
